Each plan may require you to follow its rules or use specific doctors and hospitals, and it may be impossible to comply with both plans at the same time. Before you enroll in this plan, read all of the rules very carefully and compare them with the rules of any other plan that covers you or your family.

Continuation of Coverage: Your coverage can continue as long as you pay your premium when due, remain a member, insurance continues for your class and the policy remains in force. Please see the certificate of insurance for details.

Your actual savings from enrolling in the MetLife Vision plan will depend on various factors, including plan premiums, number of visits by your family per year to an eye care professional and the cost of services and materials received.
