How getting the credit works

The one-time credit will be applied to the administrative fees on your second Aetna Funding Advantage bill.

*A group can only be eligible for an administrative fee credit at their effective date based on the number of enrolled employees at the time the case is sold. This material is for informational purposes only and does not constitute a contract. The offer is provided at the sole discretion of Aetna and can be terminated at any time and without notice. This administrative fee credit offer is conditioned on your group continuing to stay on AFA for at least 12 months from receiving the administrative fee credit. Should your group terminate the product before 12 months, your group agrees to pay Aetna an amount equal to the total amount of the administrative fee credit received, within 31 days of the termination.

**Credits are applied based on the number of employees enrolled in medical benefits.
