How you'll get the credit

We'll apply the one-time credit to the administrative fees on your second bill, saving you money in month two.

*Cannot be combined with the AFA 2-100 new business credit or the Fully Insured 51-100 new business credit. A group can only be eligible for an administrative fee credit at their effective date based on the number of enrolled employees at the time the case is sold. This material is for informational purposes only and does not constitute a contract. The offer is provided at the sole discretion of Aetna and can be terminated at any time and without notice. This administrative fee credit offer is conditioned on your group continuing to stay with Aetna for at least 12 months after receiving the administrative fee credit. Should your group terminate the product before 12 months, your group agrees to pay Aetna an amount equal to the total amount of the administrative fee credit received, within 31 days of the termination.

**Eligibility is limited to groups adding a dental plan for the first time at time of new sale or annual renewal. Credits are applied based on the number of employees enrolled in medical benefits. The Medical + Dental credits are provided at the sole discretion of Aetna® and can be terminated or modified by Aetna at any time and without notice.
